**Subject:** AOC Response to Comments and Follow up Meeting

Hawaii, we have drafted the response to comments to be issued with the final signed AOC. This response to comments incorporates our latest revisions and Rich's suggestions from the previous version. Please take a look as soon as possible and provide any suggestions or revisions.

Our ultimate goal, if possible, is to have the AOC signed and issued with press release on or before September 30.

I will schedule a conference call for Tuesday, September 22 to discuss the attached response to comments.

Thanks,

Omer Shalev  
Environmental Engineer  
Land Division (LND 4-2)
